

Dr. Ike Ezon, MD

732-RETINAS (732-738-4627)

West Long Branch

Manalapan

Instructions:

1. If you normally wear reading glasses, put them on
2. Stand 14 inches from this paper
3. COVER your LEFT eye
4. With your RIGHT eye, LOOK STRAIGHT at the center BLACK DOT
5. See if there are any MISSING or WAVEY lines, without moving your eye
6. Switch to the other eye and do the same testing
7. **If there are any NEW or WORSENING distortions, contact Dr. Ezon at once, 732-738-4627**

Note: Always test with the chart the same distance from your face and where there is consistent level light without glare.
